THIS PAST WEEK AT CAMP MORASHA

What a wild week at Camp Morasha!

On Sunday, we welcomed parents, grandparents and friends to another heartwarming and uplifting Visiting Day! Seeing so many generations of Morasha campers and staff come together for a day of togetherness is truly a sight to behold. Campers and parents enjoyed a fun-packed day at Camp Morasha featuring a potpourri of activities on land and in the water including Morasha's newest feature: Aquapark. Everyone also enjoyed a delectable barbecue compliments of Camp Morasha. That evening, following Visiting Day, Morasha broke out the Olympics, with teams representing Costa Rica, Japan, Scotland and Belgium. Opening ceremonies were a remarkable display of energy and enthusiasm as campers embraced the glory of the games.

CAMP MORASHA

On Monday, the Olympics at Camp Morasha was in full gear with campers giving their all to each event and competing with maximum effort and enjoyment. One major event of the day included the Marathon, an event that entails mass participation and a crazy relay race that left everyone, participants and observers, loving every minute of the wacky competition. It was intense in the best way possible! Believe it or not, the lunch served during the Olympics had a theme tied to the cuisine and culture of each country represented. It was an international food festival! For a summer based on kavod, it was a perfectly respectful dining display and a wonderful window into tastes and flavors from around the globe. A munchy metzuyan!

On Tuesday, the Olympics continued with teams continuing to compete with optimal intensity and non-reckless abandon. Campers exhibited the zany zeal that only the Olympics can elicit. A special shoutout to Rabbi JZ Spier and the Olympics Committee for all their hard work and dedication. Congratulations and Yasher Koach to Team Scotland for winning it all. A truly gold-medal performance by everyone involved.

On Wednesday, the fun kept flowing at Morasha with Machzor Bet Madness! The two oldest divisions, Manhigim/got and Alufim/fot, were treated to a night excursion including bowling (which was right up everyone's alley) and the ever-popular Walmart! The rest of the camp participated in a variety of fun activities that kept campers busy and engaged.

On Thursday, the entire Girls Campus was treated to a special Morasha production entitled: "Kol Hakavod." It was an epic night filled with song and dance as the Mercazia exploded with beautiful voices soaring through the night's sky. It was as if Broadway came to Morasha for the evening and suffice it to say, the audience was blown away! Way to go!

On Friday, every bunk at Morasha appeared for photo day! (Say cheese!) Each photo is a special snapshot of a moment in time, with bunkmates proudly posing together in camaraderie and unity. If a picture is worth a thousand words, then each bunk photo surely is a megillah. Special shoutouts to our formidable photographers Manny Cohen and Yehuda Joffe for their passion and patience.

Have a meaningful and memorable Shabbos!
