Saying Goodbye To First Month Campers!

Lights Out!

THIS PAST WEEK AT CAMP MORASHA

It was another exhilarating and action-packed week at Camp Morasha!

On Sunday, our fantastic and phenomenal First Session came to a close. My, how time flies when you're having non-stop fun! League champions were crowned, tasty refreshments were downed and joyous singing was heard all around. What could be better?

Monday was filled with wide-ranging emotions, all of which were wonderful. We lugubriously said goodbye to our first month campers, who will be sorely missed. Their impact on camp is immeasurable and greatly appreciated and we truly hope we will see them next summer so that the unbreakable bonds and beautiful relationships we have been making can continue to flourish. So, to all first month campers we do not say goodbye; rather, we say "L'Shana Haba'ah" (im yirtzeh Hashem)! At the same time,

CAMP MORASHA

we welcomed the newest recruits, the awesomely adorable Morasha Mania campers, who got their first taste of Morasha Magic. They remained dazzled on their first day and we were so delighted to see their shining faces and broad smiles. On Monday, we also wished a "bon voyage" to our oldest division, Alufim/Alufot, who flew down to Orlando to begin their epic week-long road-trip up the east coast. G-d willing, it will be an adventure of a lifetime!

On Tuesday, everything was going smoothly as usual at Morasha until a thunderstorm struck the greater Lake Como area, resulting in a brief power loss throughout the locality including Morasha and several other camps. But a loss of electrical power does not mean a loss of Morasha's magical power. Our amazing staff quickly sprang into action and seamlessly transformed the momentary darkness into a night of illumination. Special night activities were implemented with the aid of auxiliary lighting and the camp's new generators so that all of the campers were safe, sound and happy. Incredibly, the power outage actually resulted in a surge of activity as excited campers were energized and engaged. We all were reminded that when it comes to power, there truly is only one higher power and, with Hashem's help, the power at Morasha was soon restored. We thank everyone who helped shed "light" on and make "light" of the situation.

On Wednesday, the second oldest division, Manhigim/Manhigot, embarked on their sensational trip to New York City for the ultimate urban escape. At the same time, the camp's third oldest division, Ilanot, headed out on their wild and wacky Wilderness Adventure for a jolly jungle jaunt. Those remaining in camp had plenty of fun playing an array of games and enjoying special evening activities.

Thursday was the camp-wide trip day as each division went out on an awesome excursion. The Nitzi and Shitli Boys went to Kalahari Adventure Park while the Nitzi and Shitli Girls went to Camelback Water Park! In other words, from the youngest to the oldest, every single camper was treated to a fun getaway and they loved every minute of it!

On Friday, after such a fast-paced week of continuous fun, all of the campers deservedly received a late wake-up! The well-rested campers made the most of the day as they happily prepared for another show-stopping Shabbos.

Well, that certainly was a week for the record-books! Shabbat Shalom!

INTERESTING INTERVIEWS @ CAMP MORASHA

Featuring: Rabbi Dave Friedman

Position: Boys Head Counselor

1. What is something campers would be surprised to learn about you?

I was a pretty good athlete when I was much younger in high school.

2. If you could add any new amenity or activity to Camp Morasha, what would it be?

A new Boys HC since countless amounts of campers come in with needs and packages.

3. What is your favorite meal at camp?

Shabbos because the food on Shabbos is very special. Dani does a great job.

4. When are you at your happiest?

When everyone is doing what they are supposed to, no fighting and everyone is getting along with each other.

5. What is your biggest fear and why?

Going on a trip and having a camper missing. The reason is obvious - we are responsible for every single camper and staff member in camp.

6. What is the top thing on your "bucket list" that you have yet to do?

My wife would very much like to go to Alaska and I promised we would do it one day.

7. When the Beit Hamikdash is rebuilt (im yirtzeh Hashem), would you like to be the one who makes the announcements, like "Afternoon sacrifices will begin sharply at 6:13! Don't be late!"

It would be a great honor to do that but I'm sure more important people will get the job.
