

CAMP MORASHA

SUGGESTED COVID-19 TESTING SITES

SECOND SESSION & MORASHA MANIA

PCR tests are required for EVERYONE (regardless of vaccination status) 3 days prior to camp departure. While **we are not mandating families to travel to a specific testing company**, we felt that it would be beneficial to share a list of ‘Suggested COVID Testing Sites’ who are prioritizing Morasha campers and staff, ensuring a fast turnaround, and sharing results directly with the camp.
