Welcome to Morasha 2021...

A year of recognition

We were so excited to welcome everyone back to camp this summer! Counselors eagerly greeted their campers at the busses on Wednesday and activities began right away!

Opening night was a blast! The mercazia was full of energy as we welcomed everyone home! Each division came decked out in their divisional colors and tshirts and introduced their division heads with enthusiasm! Each division was treated to their own videos. Check them out on our divisional instagram accounts!

Regular activities were in full swing this week! The rain did not stop us from having fun at sports, art, fitness, adventure and more! We are looking forward to week 2!

Parsha Thoughts...LT counselor Kyra Appel (g24)

In this week's Parsha, Pinchas is only mentioned in the first Aliyah. The parsha continues to develop the story of Bnot Tzafchad and the story of Moshe's successor, Yehoshua. Why do we name the Parsha after Pinchas if he is not the focal point of the story?

The easy answer is because Pinchas is the first word in the Parsha. However, on a deeper level, Pinchas was notorious for his zealotry and taking matters into his own hands.

The Ibn Ezra explains that after the Jews participated in Avodah Zara, Hashem almost destroyed the whole nation! Pinchas's reaction, ability to lead and take action saved the Jews. As a result, Hashem rewarded Pinchas by anointing him the priesthood.

We can learn from Pinchas to rise to the occasion and always do the right thing. Even more so, each individual's actions count and effects the greater community!
