Week 3 was a Fiesta!

This past week Morasha was full of ruach at every activity and campwide events!

Sunday the party (really fiesta) was on in the Dining Hall! We entered the dining room and everyone was dressed in fiesta attire. Campers and staff were treated to a special Mexican menu, featuring, empanadas, spanish rice and topped off with a Mexican delicacy for dessert.

Monday night, the Chinuch Heads ran night activity for the entire camp. Every camper played a combination of "capture the counselor" and "rainbow tag". Everyone searched high and low for the Chinuch Heads in this immersive, hands-on educational experience.

On the courts, ice Hockey leagues are off to a great start and the Machzor Bet Girls Wayne County team are headed to the division championship!

V'naphochu! The Division Heads swapped campuses for the morning, in classic topsy turvy style! Wednesday, campers and staff celebrated Purim in July, with costumes, mishloach manot and chessed related activities. Campers concluded the day with a Purim Chagiga.

Finally, one of the most anticipated events of the summer took place on Thursday night: Shiria. Each campus prepared two songs to present during Shiria representing the theme "V'Dabeik L'Beinu". As part of this summer's theme, People of Passion, both campus songs represented tefillah, which we are so passionate about at Camp Morasha. The girls song, "Val Kulam" won song of the night. Ultimately, Boys campus was the winner of Shiria 2022!

Congratulations! We are looking forward to a restful Shabbos and an exciting Week 4!

Parsha Thoughts...Tzvi Motechin (Boys Sports Staff)

In this week's Parsha, Bilam tells the messengers of Balak, "unless Hashem tells me what to say, I can't say" **כב, pasuk ה'** something small or great." Asks the Gra, obviously if Bilam can't say something small he can't say something great. A few it says that Hashem put words in Bilam's mouth. The Gra quotes a gemara that states two opinions, one **כז-ה** pesukim later that G-d used a restraint on Bilam and the other that Bilam was pulled when he spoke a few pesukim later. This is what it means when it says Bilam came to curse the Jewish people; he wanted to curse them through tools that make things worse for the Jews. There are different names of Hashem that have different effects and represent different things. Two of the Two names that represent Middos harachamim are **ה'** and **א-להימ** names of Hashem that represent middos hadin are **ה-ה'** and **ה-ה'**. We see that he says **כב Pasuk ה'** Bilam wanted to use the names of din, but in Perek **ל-א** and **ה-ה'** he only **ה-ה'** but said **א-להימ** and ended up using the name of middos harachamim. Bilam wanted to say **ה-ה-ה'** up saying he ended up being pulled further and ended **ה-ה'** got the first two letters out before he was restrained. When he tried to say **ה-ה-ה'** in both cases he tried to use middos hadin, but used middos harachamim. But in one case he was **ה-ה-ה'** up saying stopped in the middle, while in the other he said more than he planned. That's what the Gemara means when it says he was restrained and pulled. And that's why when he said something small it became something big, and when he tried to say something big it became something small.
