Week with a Beat

What a week in Camp Morasha! We started with Shiria: "Songs of the Night." In honor of the sixty years of Camp Morasha, each campus was tasked with choosing past Shiria songs from specific decades. The Morasha spirit could be felt everywhere in the Mercazia. From the guest judges to Nachum Segal's live broadcast, everyone enjoyed reliving these past 60 years of Camp Morasha through song. Each song was dedicated to different Morasha leaders and visionaries throughout the years and represented the songs from each decade. The boys won Song of the Night and Shiria 2023! A back to back victory for boys campus!!

The fun continued at the drive-in movie theater! Every camper brought their chairs and blankets and cozied up for the new Disney movie: "Elemental." Throughout the week, campers participated in ice hockey leagues, Digital Dov activities, creative arts, adventure, 3-on-3 basketball tournaments, staff games and so much more! We concluded the week with seeing all of our friends at our six-camp multi-camp intercamp! We loved seeing our friends but could not wait to return home.

As always, we are looking forward to a restful Shabbat and excited for another awesome week at Camp Morasha! Shabbat Shalom.

One Step Closer to Bringing Mashiach!

The Pasuk teaches us that “you should not show favoritism in judgment...” Rashi explains that this Pasuk speaks to judges, saying they must treat small and great alike. Small and great can either be referring to small and great amounts of money, or it can refer to people of either small or great importance. Whether the court case is about a small amount of money or a great amount of money, or whether it involves people of (seemingly) lesser importance or greater importance, you must treat the case, and the people, equally. Rabbi Heber says that this lesson can be applied to everyday life as well, teaching us to treat even small amounts of money as valuable and to treat even people of (seemingly) little importance with dignity. Once, the Chafetz Chaim wanted to write something down so his students brought him a piece of paper. The Chafetz Chaim was concerned that the owner had not given permission to use his paper and therefore the piece of paper was stolen. Because of this, the Chofetz Chaim refused to write on the paper until he gave the owner a few cents to pay for it. Those around him asked, “The owner won’t really mind if you just take one piece of paper, why be concerned and not use it right away?” The Chafetz Chaim answered that even if only a few cents were stolen, that Averia could create an angel with the destructive power strong enough to turn over all the walls of the city!

We just finished the three weeks and during the three weeks, we reflect on how we treat our friends and whether we are doing our best to bring Mashiach closer to us. In the same manner, we should also be aware of how we treat our friends’ money. Do we use things that do not belong to us without permission, thinking that the owner doesn’t mind anyway? Are we careful when we borrow an item to make sure it does not get damaged?

This week, let us all think about treating the money of our friends with care and more importantly, our friends themselves. And with this, we will be able to build the third Beit Hamikdash!

Shabbat Shalom!
