

ISRAELI STAFF APPLICANTS

Thank you for your interest in working at Camp Morasha! Staff who join us from Israel – or those finishing a year abroad as Bnot Sheirut – consistently prove to be a crucial part of our staff each summer. Each year, we receive many questions from Israeli staff regarding the application process. We've created a short Guide Sheet to help answer the most frequently asked questions.

WHAT ARE THE DATES FOR STAFF?

Our staff arrive on **Sunday, June 30** and camp ends on **Tuesday, August 20**. Almost all jobs require staff to be at camp for the entire summer. For the few jobs that we accept one session staff members, the First Session ends / Second Session begins on **Monday, July 29**.

WHAT POSITIONS CAN I APPLY FOR?

Eligible positions depend on age and/or amount of time one is available to be at camp. We almost always give priority to qualified Full Summer applicants before One Session applicants. Positions listed with an *asterisk **MUST** be Full Summer applicants.

To return home, we provide transportation to Newark Airport on both July 29 and August 20. **We do not cover the cost of flights.**
